

I hope this email finds you well and in good spirits. Please let us know if there is anything we can do for you. If we can't take care of a need, we will do our best to find a resource that can help. If you have a need for food, please contact Mrs. Santos at ysantos@gws.k12.in.us.

1. **Students will receive grades for their 4th 9 weeks courses.** We believe that learning best happens in the classroom, unfortunately that is not the situation that we are in at this moment. With that said, teachers have been working hard to give your child the best opportunity to learn under the current circumstances. All tasks and assignments need to be completed. Please remind your child to
 - A. **log on** to Canvas on Mondays, Wednesdays and Fridays.
 - B. **check** the inbox for each course.
 - C. **communicate** with their teachers with any questions.
 - D. **take advantage** of live Google Hangout time with teachers.
 - E. **read** each course's Canvas page. Many questions can be answered with the information already posted on Canvas.
2. If your 6th or 7th grade child is in choir and/or band this year and would like to drop the course/s, please contact Ms. Marshall at kmarshall@gws.k12.in.us so she can make the proper schedule change.
