

1. Please log into PowerSchool and check your child's grade. If you click the grade/percentage for each class you will be able to view missing assignments and incomplete work. You can email the particular teacher with any questions.

2. Starting on Tuesday, May 26th, students will be able to enter the middle school and gather any personal items that they may have in their lockers. The following is the schedule for pick up. Times and dates are assigned according to last names. If there are two children in the same home with different last names they may come during the same slot. The schedule was created to adhere to state guidelines regarding gatherings. We ask that those who do not need to be involved to not enter the building.
