Box Tops News

Congratulations to Mrs. Sluder's class for being the top class with a collection of 1,824 Box Tops.

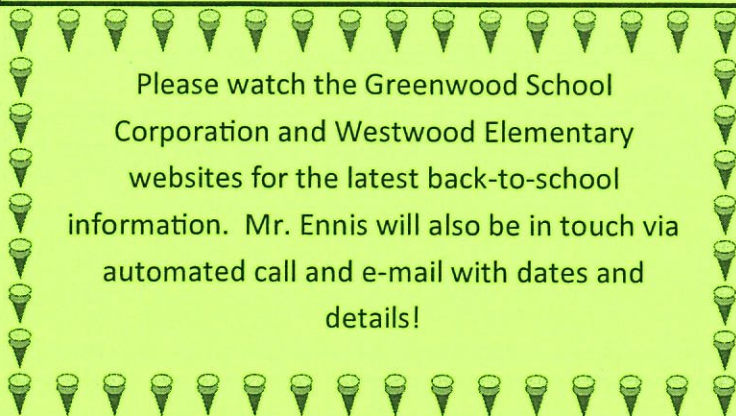

Overall Westwood collected 11,470 Box Tops this year. Continue collecting over summer break and we will start collecting again in the fall.

From the Desk of Ms. Wilson, Student Services Advisor

It has been a pleasure to serve as the Student Services Advisor here at Westwood Elementary for the past 10 years. I have enjoyed getting to know so many young students and their families, watching you grow, mature and develop leadership qualities. Next school year, I will be making a move to Greenwood Community High School as a Guidance Counselor. I am excited about this new opportunity and am especially glad to be remaining within our Greenwood schools community. I shared this information with students earlier this month during their Core Values discussion.

I hope you have a safe and wonderful summer! And I look forward to seeing you and your families in the future!

The GMS PTO board would like to see all four elementary schools represented, so please consider how you might like to get involved. If you have questions, would like more information, or would like to volunteer, contact Malinda Hart at malinda.hart@att.net. There is still an opening on the board!

Please watch the Greenwood School Corporation and Westwood Elementary websites for the latest back-to-school information. Mr. Ennis will also be in touch via automated call and e-mail with dates and details!
