**SECTION II**

**JUSTIFICATION FOR ADDITIONAL BUS PURCHASES, TRANSPORTATION SERVICES, AND/OR EARLY BUS REPLACEMENT**

1. Pursuant to IC 20-40-18-9(b)(2)(A), if the School Corporation is seeking to acquire or contract for transportation services that will provide for additional school buses or buses with a larger seating capacity as compared to the number and type of school buses from the prior school year, explain for each additional bus and the circumstances of the demand for increased transportation services within the School Corporation.

Due to the nature of transporting homeless students, students who attend specialized schools to meet educational needs and extra-curricular activities, the corporation will purchase three additional activity buses to address these needs. It is anticipated these buses will cost \$65,000 each.

2. Pursuant to IC 20-40-18-9(b)(3), if the School Corporation is seeking to require a contractor to replace a school bus, explain for each bus the circumstances for that need.
